Transportation Company agrees that its Drivers will maintain high standards of professionalism and service, including but not limited to professional attire and maintaining an average Customer score set by Uber based on feedback from users of its Software. Uber utilizes a five-star rating system designed to allow the Users of its Software to provide feedback on the level of service provided by those transportation providers who accept requests for transportation received via the Service. Transportation Company understands that there is a minimum star-rating Drivers must maintain to continue receiving access to the Service and Software. In the event a Driver's star-rating falls below the applicable minimum star-rating, Uber will notify Transportation Company by email or other written means. - 13.1 If any provision of this Agreement is or becomes invalid or non-binding, the parties shall remain bound by all other provisions hereof. In that event, the parties shall replace the

invalid or non-binding provision by provisions that are valid and binding and that have, to the greatest extent possible, a similar effect as the invalid or non-binding provision, given the contents and purpose of this Agreement.

- 13.2 Neither party shall be entitled to assign, transfer, encumber any of its rights and/or the obligations under this Agreement without the prior written consent of the other party, provided that Uber may assign, transfer, encumber any of its rights and/or the obligations under this Agreement (in whole or in part or from time to time) to (a) an Affiliated Company or (b) in the event of a merger or sale of assets without the prior written consent of the Transportation Company.
- 13.3 This Agreement (including the schedules, annexes and appendixes, which form an integral part of this Agreement) constitutes the entire agreement and understanding of the parties with respect to its subject matter and replaces and supersedes all prior agreements, arrangements, offers, undertakings or statements regarding such subject matter.

14. GOVERNING LAW AND JURISDICTION

- 14.1 This Agreement shall be governed by California law, without regard to the choice or conflicts of law provisions of any jurisdiction, and any disputes, actions, claims or causes of action arising out of or in connection with this Agreement or the Uber Service or Software shall be subject to the exclusive jurisdiction of the state and federal courts located in the City and County of San Francisco, California. If any provision of the Agreement is held to be invalid or unenforceable, such provision shall be struck and the remaining provisions shall be enforced to the fullest extent under law. The failure of Uber to enforce any right or provision in this Agreement shall not constitute a waiver of such right or provision unless acknowledged and agreed to by Uber in writing. This Agreement and the documents incorporated by reference therein comprise the entire agreement between you and Uber and supersedes all prior or contemporaneous negotiations, discussions or agreements, whether written or oral, between the parties regarding the subject matter contained herein.
- 14.2 Other than disputes regarding the Intellectual Property Rights of the parties, any disputes, actions, claims or causes of action arising out of or in connection with this Agreement or the Uber Service or Software may be subject to arbitration pursuant to Section 14.3.

14.3 Arbitration.

- i. How This Arbitration Provision Applies.

This Arbitration Provision is governed by the Federal Arbitration Act, 9 U.S.C. § 1 et seq. and evidences a transaction involving commerce. This Arbitration Provision applies to any dispute arising out of or related to this Agreement or termination of the Agreement and survives after the Agreement terminates. Nothing contained in this Arbitration Provision shall be construed to prevent or excuse You from utilizing any procedure for resolution of complaints established in this Agreement (if any), and this Arbitration Provision is not intended to be a substitute for the utilization of such procedures.

Except as it otherwise provides, this Arbitration Provision is intended to apply to the resolution of disputes that otherwise would be resolved in a court of law or before a forum other than arbitration. This Arbitration Provision requires all such disputes to be resolved only by an arbitrator through final and binding arbitration and not by way of court or jury trial.

Such disputes include without limitation disputes arising out of or relating to interpretation or application of this Arbitration Provision, including the enforceability, revocability or validity of the Arbitration Provision or any portion of the Arbitration Provision.

Except as it otherwise provides, this Arbitration Provision also applies, without limitation, to disputes arising out of or related to this Agreement and disputes arising out of or related to Your relationship with Uber, including termination of the relationship. This Arbitration Provision also applies, without limitation, to disputes regarding any city, county, state or federal wage-hour law, trade secrets, unfair competition, compensation, breaks and rest periods, expense reimbursement, termination, harassment and claims arising under the Uniform Trade Secrets Act, Civil Rights Act of 1964, Americans With Disabilities Act, Age Discrimination in Employment Act, Family Medical Leave Act, Fair Labor Standards Act, Employee Retirement Income Security Act (except for claims for employee benefits under any benefit plan sponsored by Uber and covered by the Employee Retirement Income Security Act of 1974 or funded by insurance), Genetic Information Non-Discrimination Act, and state statutes, if any, addressing the same or similar subject matters, and all other similar federal and state statutory and common law claims.

ii. Limitations On How This Agreement Applies.

This Arbitration Provision does not apply to claims for workers compensation, state disability insurance and unemployment insurance benefits.

Regardless of any other terms of this Arbitration Provision, claims may be brought before and remedies awarded by an administrative agency if applicable law permits access to such an agency notwithstanding the existence of an agreement to arbitrate. Such administrative claims include without limitation claims or charges brought before the Equal Employment Opportunity Commission (www.eeoc.gov), the U.S. Department of Labor (www.dol.gov), the National Labor Relations Board (www.nlr.gov), or the Office of Federal Contract Compliance Programs (www.dol.gov/esa/ofccp). Nothing in this Arbitration Provision shall be deemed to preclude or excuse a party from bringing an administrative claim before any agency in order to fulfill the party's obligation to exhaust administrative remedies before making a claim in arbitration.

Disputes that may not be subject to predispute arbitration agreement as provided by the Dodd-Frank Wall Street Reform and Consumer Protection Act (Public Law 111-203) are excluded from the coverage of this Arbitration Provision.

This Arbitration Provision shall not be construed to require the arbitration of any claims against a contractor that may not be the subject of a mandatory arbitration agreement as provided by section 8116 of the Department of Defense ("DoD") Appropriations Act for Fiscal Year 2010 (Pub. L. 111-118), section 8102 of the Department of Defense ("DoD") Appropriations Act for Fiscal Year 2011 (Pub. L. 112-10, Division A), and their implementing regulations, or any successor DoD appropriations act addressing the arbitrability of claims.

iii. Selecting The Arbitrator and Location of the Arbitration.

The Arbitrator shall be selected by mutual agreement of Uber and You. Unless You and Uber mutually agree otherwise, the Arbitrator shall be an attorney licensed to practice in the location where the arbitration proceeding will be conducted or a retired federal or state judicial officer who presided in the jurisdiction where the arbitration will be conducted. If the Parties cannot agree on an Arbitrator, then an arbitrator will be selected using the alternate strike method from a list of five (5) neutral arbitrators provided by JAMS (Judicial Arbitration & Mediation Services). You will have the option of making the first strike. If a JAMS arbitrator is used, then the applicable JAMS rules will apply. The location of the arbitration proceeding shall be no more than 45 miles from the place where You last provided transportation services under this Agreement, unless each party to the arbitration agrees in writing otherwise.

iv. Starting The Arbitration.

All claims in arbitration are subject to the same statutes of limitation that would apply in court. The party bringing the claim must demand arbitration in writing and deliver the written demand by hand or first class mail to the other party within the applicable statute of limitations period. The demand for arbitration shall include identification of the Parties, a statement of the legal and factual basis of the claim(s), and a specification of the remedy sought. Any demand for arbitration made to Uber shall be provided to General Counsel, Uber Technologies, Inc., 182 Howard Street, # 8, San Francisco CA 94105. The arbitrator shall resolve all disputes regarding the timeliness or propriety of the demand for arbitration. A party may apply to a court of competent jurisdiction for temporary or preliminary injunctive relief in connection with an arbitrable controversy, but only upon the ground that the award to which that party may be entitled may be rendered ineffectual without such provisional relief.

v. How Arbitration Proceedings Are Conducted.

In arbitration, the Parties will have the right to conduct adequate civil discovery, bring dispositive motions, and present witnesses and evidence as needed to present their cases and defenses, and any disputes in this regard shall be resolved by the Arbitrator.

You and Uber agree to bring any dispute in arbitration on an individual basis only, and not on a class, collective, or private attorney general representative action basis. Accordingly,

(a) There will be no right or authority for any dispute to be brought, heard or arbitrated as a class action ("Class Action Waiver"). The Class Action Waiver shall not be severable from this Arbitration Provision in any case in which (1) the dispute is filed as a class action and (2) a civil court of competent jurisdiction finds the Class Action Waiver is unenforceable. In such instances, the class action must be litigated in a civil court of competent jurisdiction.

(b) There will be no right or authority for any dispute to be brought, heard or arbitrated as a collective action ("Collective Action Waiver"). The Collective Action Waiver shall not be severable from this Arbitration Provision in any case in which (1) the dispute is filed as a collective action and (2) a civil court of competent jurisdiction finds the Collective Action Waiver is unenforceable. In such instances, the collective action must be litigated in a civil court of competent jurisdiction.

(c) There will be no right or authority for any dispute to be brought, heard or arbitrated as a private attorney general representative action ("Private Attorney General Waiver"). The Private Attorney General Waiver shall not be severable from this Arbitration Provision in any case in which a civil court of competent jurisdiction finds the Private Attorney General Waiver is unenforceable. In such instances and where the claim is brought as a private attorney general, such private attorney general claim must be litigated in a civil court of competent jurisdiction.

Although you will not be retaliated against, disciplined or threatened with discipline as a result of you exercising your rights under Section 7 of the National Labor Relations Act by the filing of or participation in a class, collective or representative action in any forum, Uber may lawfully seek enforcement of this Arbitration Provision and the Class Action Waiver, Collective Action Waiver and Private Attorney General Waiver under the Federal Arbitration Act and seek dismissal of such class, collective or representative actions or claims. Notwithstanding any other clause contained in this Agreement, any claim that all or part of the Class Action Waiver, Collective Action Waiver or Private Attorney General Waiver is invalid, unenforceable, unconscionable, void or voidable may be determined only by a court of competent jurisdiction and not by an arbitrator.

The Class Action Waiver, Collective Action Waiver and Private Attorney General Waiver shall be severable in any case in which the dispute is filed as an individual action and severance is necessary to ensure that the individual action proceeds in arbitration.

vi. Paying For The Arbitration.

Each party will pay the fees for his, her or its own attorneys, subject to any remedies to which that party may later be entitled under applicable law. However, in all cases where required by law, Uber will pay the Arbitrator's and arbitration fees. If under applicable law Uber is not required to pay all of the Arbitrator's and/or arbitration fees, such fee(s) will be apportioned between the Parties in accordance with said applicable law, and any disputes in that regard will be resolved by the Arbitrator.

vii. The Arbitration Hearing And Award.

The Parties will arbitrate their dispute before the Arbitrator, who shall confer with the Parties regarding the conduct of the hearing and resolve any disputes the Parties may have in that regard. Within 30 days of the close of the arbitration hearing, or within a longer period of time as agreed to by the Parties or as ordered by the Arbitrator, any party will have the right to prepare, serve on the other party and file with the Arbitrator a brief. The Arbitrator may award any party any remedy to which that party is entitled under applicable law, but such remedies shall be limited to those that would be available to a party in his or her individual capacity in a court of law for the claims presented to and decided by the Arbitrator, and no remedies that otherwise would be available to an individual in a court of law will be forfeited by virtue of this Arbitration Provision. The Arbitrator will issue a decision or award in writing, stating the essential findings of fact and conclusions of law. Except as may be permitted or required by law, as determined by the Arbitrator, neither a party nor an Arbitrator may disclose the existence, content, or results of any arbitration hereunder without the prior written consent of all Parties. A court of competent jurisdiction shall have the authority to enter a judgment upon the award made pursuant to the arbitration. The Arbitrator shall not have the power to commit errors of law or legal reasoning, and the award may be vacated or corrected on appeal to a court of competent jurisdiction for any such error.

viii. Your Right To Opt Out Of Arbitration.

Arbitration is not a mandatory condition of your contractual relationship with Uber. If you do not want to be subject to this Arbitration Provision, you may opt out of this Arbitration Provision by notifying Uber in writing of your desire to opt out of this Arbitration Provision, which writing must be dated, signed and delivered by a nationally recognized overnight delivery service or by hand delivery to Uber Technologies, Inc., 182 Howard Street, #8 San Francisco, CA 94105 addressed to the attention of the General Counsel. In order to be effective, the writing must clearly indicate your intent to opt out of this Arbitration Provision and the envelope containing the signed writing **must be post-marked within 30 days** of the date this Agreement is executed by you. Your writing opting out of this Arbitration Provision will be filed with a copy of this Agreement and maintained by Uber. Should You not opt out of this Arbitration Provision within the 30-day period, You and Uber shall be bound by the terms of this Arbitration Provision. You have the right to consult with counsel of Your choice concerning this Arbitration Provision. You understand that You will not be subject to retaliation if You exercise Your right to assert claims or opt-out of coverage under this Arbitration Provision.

ix. Enforcement Of This Agreement.

This Arbitration Provision is the full and complete agreement relating to the formal resolution of disputes arising out of this Agreement. Except as stated in subsection v,

above, in the event any portion of this Arbitration Provision is deemed unenforceable, the remainder of this Arbitration Provision will be enforceable.

By clicking "I accept", You expressly acknowledge and agree to be bound by the terms and conditions of the Agreement, and further acknowledge that You are legally competent to enter into this Agreement with Uber.
